The European Examiner cited ASHOK KUMAR V K ET AL: "Use of Petri Nets for Resource Allocation in Projects" IEEE TRANSACTIONS ON ENGINEERING MANAGEMENT, IEEE INC. New York, US, vol. 45, no. 1, 1 February 1998 (1988-02-1), XP011019208 ISSN: 0018-9391 as being relevant. However, the claims in the European application differ from those in Application No. 10/510,353. Moreover, the standards for software patentability in Europe are markedly different from those in the United States. Nonetheless, the Applicant has listed the above cited reference on the attached copy of Form PTO/SB/08a and included a copy of said reference for the Examiner's review. The Examiner is requested to consider this Information Disclosure Statement.
